## **Cards Beanie Wells could miss 1-2 weeks**

Monday, October 24, 2011 - 1:58pm

Jason LaCanfora on Twitter - [\[Full Article\]](#)

Arizona RB Beanie Wells likely to miss 1-2 weeks with a bone bruise.

Fantasy Impact:

Alfonso Smith and La'Rod Stephens-Howling should handle RB carries and could be targeted on the waiver wire this week. But, next week the Cardinals take on Baltimore which won't be a good matchup. Should Wells miss week 9, it would be against St. Louis.
